Parties The party identified at Item 1 of the Order Form (**Customer**)

 The party identified at Item 4 of the Order Form (**Supplier**)

Background

- A. The New South Wales Government's Digital.NSW ICT Purchasing Framework (**ICT Purchasing Framework**) is a suite of template documents which sets out standard terms and conditions to be used by Eligible Customers for the procurement of ICT related goods and services.
- B. The Supplier acknowledges and agrees that the New South Wales Procurement Board has directed that Government Agencies must, subject to applicable New South Wales Procurement Board Directions, use the ICT Purchasing Framework for the procurement of ICT related goods and services.
- C. This Agreement forms part of the ICT Purchasing Framework and contains the terms and conditions on which the Supplier agrees to carry out the Supplier's Activities.
- D. The Supplier has represented to the Customer that it has the relevant skills and experience to provide the Supplier's Activities.
- E. The Customer has agreed to appoint the Supplier, on a non-exclusive basis, to carry out the Supplier's Activities, subject to the Supplier's ongoing compliance with the terms and conditions of this Agreement, and the Supplier has agreed to accept that appointment.

PART A: PRELIMINARIES

1. **Definitions and Agreement documents**

1.1 **Defined terms and interpretation**

In this Agreement the definitions and interpretation provisions set out in Schedule 1 apply.

1.2 **Agreement documents**

This Agreement comprises the following documents:

- (a) any Additional Conditions;
- (b) these Core Terms and Schedule 1;
- (c) the applicable Module Terms;
- (d) the Order Form and Payment Schedule (excluding any Additional Conditions or Supplier's Documents);
- (e) any other schedule, attachment or annexure to this Agreement (excluding any documents forming part of the Order Form);
- (f) any other document expressly incorporated into this Agreement as set out in the Order Form; and

- (g) any Supplier's Documents.

1.3 Order of precedence

In the event of any conflict or inconsistency between the documents set out in clause 1.2, the document listed higher in the list will prevail over the document listed lower in the list to the extent of such conflict or inconsistency, regardless of anything to the contrary in those documents.

1.4 Role of the Master ICT Agreement

Where this Agreement is made under a MICTA, the Supplier acknowledges that its MICTA with the Contract Authority constitutes a standing offer under which it offers to supply the deliverables, services and/or activities specified in the MICTA to Eligible Customers, including the Customer:

- (a) pursuant to the terms of the MICTA and this Agreement; and
- (b) at rates and prices which are the same as or less than those set out in the MICTA (and, upon the commencement of any Renewal Period, at rates and prices which are the same as or less than any reduced rates and prices then applying under the MICTA at the time of such renewal).

1.5 Supplier's Documents

- (a) The parties acknowledge that the intent of incorporating any Supplier's Documents into this Agreement, where so agreed, is to supplement and elaborate the detail and specifications of particular Services and Deliverables and not to amend or contradict the terms set out in any of the documents listed in clauses 1.2(a) to 1.2(f).
- (b) The Supplier represents that the Supplier's Documents:
 - (i) set out specific details regarding how the Customer may access, use and interact with particular Services or Deliverables; and
 - (ii) may describe other elements of the Services or Deliverables which the Supplier offers to provide to the Customer, such as technical and functional specifications, service characteristics and performance standards.
- (c) No Supplier's Documents will be incorporated into this Agreement except to the extent expressly specified in, and attached to, Annexure A of the Order Form.
- (d) Notwithstanding the incorporation of Supplier's Documents under clause 1.5(c), those Supplier's Documents do not apply to the extent that they:
 - (i) deal with the same or similar subject matter as a provision of the Core Terms, Module Terms or any Additional Conditions (for example, provisions in the Supplier's Documents that deal with limitations of liability will not apply, in whole, as the Core Terms also deal with this subject matter);
 - (ii) are inconsistent, or in conflict, with the Core Terms, Module Terms or any Additional Conditions;

- (iii) alter, or seek to alter, the legal obligations of, or relationship between, the Customer and the Supplier, as set out in the Core Terms, Module Terms or any Additional Conditions;
 - (iv) impose additional obligations or requirements on the Customer, beyond those set out in the Core Terms, Module Terms or any Additional Conditions; or
 - (v) limit any rights or remedies of the Customer or relieve the Supplier from any of its obligations or responsibilities under the Core Terms, Module Terms or any Additional Conditions.
- (e) Where any of the Supplier's Documents purport to override or otherwise vary the Core Terms, Module Terms or any Additional Conditions those terms will have no legal effect.
- (f) Except to the extent expressly set out in the Module Terms, no subsequent changes, amendments or updates to the Supplier's Documents will have any effect other than where made pursuant to a written variation under clause 39.6.

2. Supplier's acknowledgments

- (b) the Supplier is not an exclusive provider of the Supplier's Activities (nor activities which are the same as or similar to them) to the Customer, and the Customer is not, by executing this Agreement, restricted in any way from engaging any other person to provide activities which are the same as, or similar to, the Supplier's Activities.

 - (i) particulars of the Delay and the occurrence causing the Delay; and
 - (ii) extension of time claimed in days, together with the basis for calculating that period.
- (c) The Customer will reasonably consider any Supplier request to extend a Date for Delivery or Key Milestone where the applicable Delay was beyond the reasonable control of the Supplier, could not have been reasonably mitigated or worked around, and the Supplier has given notice as required by clause 6.8(b). The Customer may reduce any extension of time to the extent that the Supplier or its Personnel contributed to the Delay or the Supplier failed to take steps necessary both to preclude the cause of the Delay and to avoid or minimise the consequences of the Delay. In all other circumstances, the Customer may grant, decline or impose conditions on the granting of such request in its sole discretion.
- (d) Where the Supplier requests an extension of time under clause 6.8(b) and that Delay has arisen because of:
 - (i) the Customer's breach of this Agreement;
 - (ii) a failure to provide any Critical CSI; or
 - (iii) the acts or omissions of an Other Supplier,the Customer must grant an extension of time, of a duration reasonably determined by the Customer having regard to the extent to which the Delay was attributable to the relevant breach, failure, acts or omissions.
- (e) Whether or not the Supplier has made, or is entitled to make, a Claim for an extension of time under clause 6.8(a), the Customer may, in its sole discretion, at any time by written notice to the Supplier, unilaterally extend a Date for Delivery or Key Milestone by written notice to the Supplier. For clarity, no extension of time granted by the Customer will result in an increase or decrease to the Price, unless separately agreed pursuant to an agreed Change Request.
- (f) Notwithstanding clause 35.1, where:
 - (i) any dispute or difference arises between the parties in relation to this clause 6.8 or its subject matter; and
 - (ii) a project management committee or other governance forum, which meets at least monthly, is provided for in the Order Documents,

then the party claiming the dispute or difference has arisen must not issue a Dispute Notice pursuant to clause 35.1(b) in relation to that dispute or difference unless it has first raised and sought to resolve that dispute or difference in the next occurring meeting of that committee or forum, without resolution at such meeting.

6.9 Delay costs

- (a) To the extent a Delay arises which is attributable to the Customer's breach of this Agreement, a failure to provide any Critical CSI or the acts or omissions of an Other Supplier, the Supplier:
- (i) may advise the Customer of any proposed changes to the Price, the quantum of which must not exceed any additional, incremental cost and expense (calculated on a cost-only basis) directly attributable to:
 - A. undertaking and implementing any workarounds or remedial measures which are within the Supplier's control to implement or adopt, and which would minimise or lessen the impact of that Delay; and
 - B. any increase in the Supplier's Activities, or in the cost of the Supplier's Activities, as a result of that Delay,

(Additional Activities);
 - (ii) must accompany any advice under clause 6.9(a)(i) with sufficient supporting evidence to substantiate the calculation of its proposed changes to the Price in accordance with the principles set out in that clause; and
 - (iii) may prepare and submit to the Customer a Change Request Form, which complies with clause 10, in respect of the Additional Activities referred to in clause 6.9(a)(i).
- (b) The parties will comply with the Change Control Procedure in relation to the Change Request initiated by that Change Request Form, including any approval, rejection or request for further information. For clarity, however (and subject to clause 6.9(c)), the Supplier is not required to perform any of the Additional Activities unless the Change Request is approved by the Customer.
- (c) Nothing in clause 6.9(b) will prevent the parties reaching some other written agreement in relation to the Additional Activities, for example, the Supplier performing aspects of the Additional Activities on an urgent and/or interim time and materials basis, subject to the subsequent formalisation of a detailed Change Request.

6.10 Site

- (a) Where specified in Item 16 of the Order Form, the Supplier must carry out the Supplier's Activities at the locations or sites specified in that Item (**Site**).
- (b) Where physical delivery of any Deliverables to a Site is required, the Supplier must, at no additional cost to the Customer, deliver any Deliverables:
- (i) to the delivery area at the Site specified in the Order Form; and
 - (ii) on the Date for Delivery and between the hours stated in the Order Form,
- or as otherwise agreed in writing between the parties.
- (c) The Supplier warrants, represents and undertakes that it has, and it will be deemed to have, done everything that would be expected of a prudent, competent and experienced supplier in assessing the risks which it is assuming under this

Agreement in relation to carrying out the Supplier's Activities at the Site, including visiting and inspecting the Site and its surroundings and making its own assessment of the risks associated with the conditions at the Site and its surroundings.

- (d) Any failure of the Supplier to do any of the matters mentioned in clause 6.10(c) will not relieve the Supplier of its obligations to carry out the Supplier's Activities in accordance with this Agreement.
- (e) The Customer:
 - (i) is not obliged to:
 - A. provide the Supplier with sole access to the Site; or
 - B. carry out any work or provide any facilities or Materials to the Supplier (other than CSI or such other items specified in the Order Form) which may be necessary to enable the Supplier to obtain adequate access to carry out the Supplier's Activities; and
 - (ii) may engage Other Suppliers to work upon, or in the vicinity of, the Site at the same time as the Supplier.
- (f) In carrying out the Supplier's Activities, the Supplier must:

 - (ii) comply with all Policies, Codes and Standards of the Customer applicable to access to and attendance at the Site and any additional requirements specified in Item 16 of the Order Form;
 - (iii) at all reasonable times give the Customer's Representative, the Customer and any person authorised by the Customer access to the Supplier's Activities located at, or being carried out at, the Site (as applicable) or any location where the Supplier's Activities are being carried out; and
 - (iv) facilitate the Customer's supervision, examination or assessment of the Supplier's Activities at the Site or any location where the Supplier's Activities are being carried out.

- (e) The parties must repeat the process in this clause 8.2 until the Customer approves each Document Deliverable in accordance with clause 8 or terminates this Agreement.
- (f) Where the period referred to in clause 8.2(a)(ii) elapses without the Customer approving or rejecting the Document Deliverable, the Supplier must submit to the Customer's Representative a written reminder notice identifying the Document Deliverable in respect of which it requires a decision by the Customer. If the Customer does not approve or reject the relevant Document Deliverable or otherwise communicate with the Supplier in relation to that reminder notice within 10 Business Days of its receipt, then the relevant Document Deliverable will be deemed to have been approved by the Customer.

8.3 No obligation

- (a) The Customer does not assume or owe any duty of care to the Supplier to review any Document or Document Deliverable for errors, omissions or compliance with this Agreement.
- (b) No review, acceptance or approval of, comments upon, rejection of, or failure to review or comment upon or reject, any Document or Document Deliverable provided by the Supplier to the Customer under this Agreement or any other direction by the Customer about that Document or Document Deliverable will:
 - (i) relieve the Supplier from, or alter or affect, the Supplier's liabilities or responsibilities whether under this Agreement or otherwise at Law; or
 - (ii) prejudice the Customer's rights against the Supplier whether under this Agreement or otherwise at Law.

8.4 User Documentation

- (a) The Supplier must, at its sole cost, provide the User Documentation to the Customer's Representative except where otherwise specified in the Order Form.
- (b) The User Documentation must be supplied in an electronic format and by the time specified in the Order Documents or, where no timeframe is specified, where reasonably required by the Customer.
- (c) Where it is specified in the Order Form that the Customer also requires any User Documentation in a hard copy format (or where otherwise requested by the Customer), the Supplier must provide the Customer's Representative with at least one copy of the User Documentation at no additional charge to the Customer.
- (d) The Supplier must ensure that any User Documentation that is supplied to the Customer's Representative:
 - (i) provides adequate instructions on how to enable the Customer and Customer Users to utilise the Services and Deliverables (as applicable) without reference to the Supplier; and
 - (ii) complies with the same requirements as specified in clause 8.1(d) in relation to Document Deliverables.
- (e) The Supplier must update the User Documentation as is needed for the Customer and Customer Users to be able to use the Services and Deliverables (as applicable) in an efficient and effective manner.

- (d) The parties acknowledge that where the Defect relates to any Services, the Customer may request that the Supplier, and the Supplier must, supply the affected Services again.
- (e) If multiple Defects are identified, the Customer may request the Supplier to prioritise the rectification of such Defects, and the Supplier must comply with any such request. However, for clarity, any prioritisation must remain consistent with any applicable Service Levels.
- (f) Unless otherwise agreed between the parties in writing, the Warranty Period will be increased by a period of time equivalent to the time that the relevant Services and Deliverables were unavailable or their functionality materially decreased due to a Defect.
- (g) The Customer's rights under this Agreement and at Law will not be affected or limited by:
 - (i) the rights conferred upon the Customer by this clause;
 - (ii) the failure by the Customer or the Customer's Representative to exercise any such rights; or
 - (iii) any instruction of the Customer under this Agreement.
- (h) For clarity, the Warranty Period will not be deemed to exclude or restrict any guarantee that is provided at Law with respect to any Deliverable or Service.

- (c) The parties acknowledge and agree that any service credits or service rebates calculated in accordance with the Order Documents:
 - (i) reflect the provision of a lower level of service than is required under this Agreement; and
 - (ii) are reasonable and represent a genuine pre-estimate of the diminution in value the Customer will suffer, as represented by an adjustment to the Price, as a result of the delivery by the Supplier of a lower level of service than that required by the applicable Service Level, but are not an exclusive remedy with respect to other categories of Loss.

15.4 Performance reports

- (c) The Supplier acknowledges that the Liquidated Damages payable under this clause 16 are a reasonable and genuine pre-estimate of the Loss likely to be suffered by the Customer in respect of a failure by the Supplier to meet the relevant Key Milestone. However, they do not limit the rights or remedies of the Customer to claim Loss from the Supplier in the event that the amount of Loss actually incurred by the Customer exceeds such genuine pre-estimate, in the amount of the difference between such Loss actually incurred and the Liquidated Damages payable under this clause 16.
- (d) The Supplier will not be liable to pay Liquidated Damages to the extent that the Supplier's failure to achieve a Key Milestone was caused or contributed to by the:

- (i) the use, modification or adaptation of the Materials or Deliverables; or
 - (ii) any other dealing which might otherwise constitute an infringement of the author's Moral Rights.

17.13 Replacement of Deliverables

- (a) procure for the Customer the right to continue to use the Services and/or Deliverables on terms no less favourable than those set out in this Agreement;

19.7 Record, retention, return and destruction of the Customer Data

- (a) If the Supplier or its Personnel obtains access to, or collects, uses, holds, controls, manages or otherwise processes, any Personal Information in connection with this

Agreement (regardless of whether or not that Personal Information forms part of the Customer Data), the Supplier must (and must ensure that its Personnel):

- (i) comply with all Privacy Laws, as though it were a person subject to those Privacy Laws;
 - (ii) only use that Personal Information for the sole purpose of carrying out the Supplier's Activities;

- (b) The Data Management and Protection Plan must be provided to the Customer's Representative within five Business Days following the Commencement Date or such other time as agreed between the parties in writing.
- (c) The Data Management and Protection Plan must:
 - (i) set out measures for how the Supplier and its Personnel will:

 - (iii) cover such other matters as reasonably required by the Customer.
- (d) The Supplier must review and update the Data Management and Protection Plan annually or at such other times as reasonably required by the Customer to address a Security Incident or breach of this Agreement.
- (e) The Supplier must comply with its latest Data Management and Protection Plan and provide the latest copy of that Plan to the Customer's Representative on request.

20.3 No limitation of obligations

Nothing in this clause 20 is intended to limit any obligations that the Supplier has at Law with respect to privacy and the protection of Personal Information.

21. Security

21.1 Scope of the Supplier's security obligations

- (a) Without limiting any other security obligation under this Agreement, the Supplier's security obligations under this clause apply to:

- (a) The Supplier must implement, maintain and enforce a formal program of technical and organisational security measures (including an audit and compliance program) relating to ICT security and cyber security that is in accordance with:
 - (i) this clause 21; and

- (ii) the standards or requirements specified in Item 40 of the Order Form, **(Security Program)**, provided that, where clause 21 and the standards or requirements specified in the Order Form both address standards in respect of the same subject matter, the Security Program must reflect the higher standard.
- (b) The Security Program must be designed to:
 - (i) monitor, audit, detect, identify, report and protect against Security Incidents, Viruses, and any other threats or hazards to the security or integrity of the Customer's operations or the Services and Deliverables in carrying out the Supplier's Activities;
 - (ii) ensure the security (including the confidentiality, availability and integrity) of the Services and Deliverables in accordance with the requirements of this Agreement;
 - (iii) ensure the continuity of the Customer's access to, and use of, the Services and Deliverables and in a manner that achieves any applicable Service Levels. This includes continuity of access and use during any business continuity event, Disaster recovery event, scheduled or unscheduled maintenance and similar events;
 - (iv) manage any potential security risks in the Supplier's supply chains that bear upon the Supplier's Activities;
 - (v) monitor, detect, identify and protect against fraud and corruption by the Supplier's organisation and the Supplier's Personnel; and

- (c) Without limiting its obligations under clause 21.2(a), the Supplier must ensure its Security Program complies, and is consistent, with the Policies, Codes and Standards (to the extent applicable to security).
- (d) The Supplier must regularly review and continuously improve the Security Program to ensure it remains current and up-to-date and continues to satisfy the requirements of this clause 21.2 and is in accordance with Best Industry Practice.
- (e) If specified in Item 40 of the Order Form, the Supplier must have, obtain and maintain from the Commencement Date and for the duration of the Supplier's Activities the security certifications specified or referenced in Item 40 of the Order Form from an accredited, independent, third party register or accredited, independent third party certification body. Unless otherwise specified in Item 40 of the Order Form, the certifications must be updated at least annually and must comply with any specific certification requirements set out in the Order Form.
- (f) Without limiting this clause 21.2, the Supplier must comply with any additional security obligations or standards specified in the Order Form.

21.3 Audits and compliance

- (a) The Supplier must audit its compliance with its Security Program and security obligations under this Agreement in accordance with any timeframes specified in the Order Documents and, where no such timeframes are specified, on an annual basis.

- (b) The Supplier must provide the Customer, at the Customer's request, with electronic copies of:
- (i) any security certifications required by this clause 21 and a copy of each renewal of these certifications;
 - (ii) a description of the Supplier's information security management system and cyber security management system;
 - (iii) all reports relating to:
 - A. any external or internal audits of the Supplier's security systems (to be provided for the most recent period available), including follow-up reports on audit action items; and
 - B. where applicable, the integrity of any data backups required to be undertaken as part of the Supplier's Activities;
 - (iv) evidence that a vulnerability and security management process is in place within its organisation that includes ongoing and routine vulnerability scanning, patching and coverage verification, with a frequency commensurate with any applicable security requirements specified in the Order Form, or where no requirements are specified, Best Industry Practice. This can include copies of relevant policies, scan results, vulnerability reports, registers of vulnerabilities and patch reports;
 - (v) evidence that (if applicable) penetration and security testing (including any Acceptance Tests set out in the Order Form) are carried out:

 - B. at such other times specified in the Order Form; and
 - (vi) evidence that high and extreme Inherent Risks identified in audits, vulnerability scans and tests have been remediated,

which must contain (at a minimum) full and complete details of information and reports insofar as they relate to the Supplier's Activities. Where the Supplier is not permitted to provide the Customer with any of the foregoing (due to confidentiality obligations to third parties or because to do so would cause the Supplier to breach any Law or relevant security certification that the Supplier is subject to), the Supplier may (acting reasonably) redact those components that it is not permitted to provide to the Customer but only to the fullest extent needed to prevent the Supplier's non-compliance.

- (c) Without limiting clause 11.3(a)(ii), the Supplier must run initial and annual mandatory security awareness training for all of the Supplier's Personnel involved in carrying out the Supplier's Activities under this Agreement and ensure that those Personnel have completed the initial training prior to carrying out the Supplier's Activities.
- (d) At the Customer's request, the Supplier must implement any audit findings or recommendations arising from an audit conducted under clause 21.3(a) and reasonably demonstrate to the Customer the implementation of such findings and recommendations.

22. Security Incidents

22.1 Notification of Security Incidents

If the Supplier becomes aware that there has been a Security Incident, the Supplier must immediately:

- (a) notify the Customer and, for Security Incidents that are classified by the Customer as having a major or potentially major impact or where otherwise directed by the Customer, also notify the Contract Authority where this Agreement is made pursuant to a MICTA; and
- (b) provide to the Customer, to the extent known at the time, the date of the Security Incident and a description of the Security Incident.

22.2 Actions required in relation to a Security Incident

- (a) Where the:
 - (i) Supplier becomes aware of any Security Incident; or
 - (ii) Customer notifies the Supplier that the Customer reasonably believes a Security Incident has occurred or is about to occur,then, the Supplier must, as soon as possible (but in any case within the time specified in Item 42 of the Order Form):
 - (iii) investigate and diagnose the Security Incident;
 - (iv) manage and contain the Security Incident and mitigate the impact of the Security Incident (working on a 24 x 7 basis if required);
 - (v) investigate and take steps to identify the root cause of the Security Incident and seek to understand the risks posed by the Security Incident and identify how these risks can be addressed; and
 - (vi) develop and adopt a remediation Plan addressing the rectification of, and the prevention of the future recurrence of the facts and circumstances giving rise to, the Security Incident (**Remediation Plan**).
- (b) The Supplier must:
 - (i) within 48 hours after the Supplier's initial awareness or notification of the Security Incident in accordance with clause 22.1(a), provide to the Customer, to the extent known at that time:
 - A. a list of actions taken by the Supplier to mitigate the impact of the Security Incident;

 - (vi) review and learn from the Security Incident to improve security and data handling practices and prevent future Security Incidents from occurring.
- (c) For clarity, nothing in this clause 22:
- (i) requires the Supplier to provide the Customer with specific details that relate to the Supplier's other customers or would breach any applicable Laws; and
 - (ii) limits the Supplier's obligations at Law with respect to the notification and resolution of Security Incidents.

23. Confidentiality

- (a) Where either party (**Recipient**) receives or otherwise possesses Confidential Information of the other party (**Discloser**), the Recipient must:
- (i) keep it confidential;
 - (ii) in the case of the Supplier or its Personnel, only use it where required to exercise its rights or perform its obligations under this Agreement; and
 - (iii) not disclose it to anyone other than:
 - A. with the prior consent of the Discloser and on the condition that the subsequent recipient is bound by the same or substantively equivalent confidentiality requirements as specified in this Agreement;
 - B. where required by the GIPA Act (or any other similar Laws) which may require the Customer to publish or disclose certain information concerning this Agreement;
 - C. where required by any other Laws, provided that the Recipient gives the Discloser reasonable notice of any such legal requirement or order to enable the Discloser to seek a protective order or other appropriate remedy (unless it would be in violation of a court order or other legal requirement);
 - D. in the case of the Customer, to:
 - 1) the Contract Authority or responsible Minister (where this Agreement is made under a MICTA);
or

- 2) any Government Agency or Eligible Customer or responsible Minister for a Government Agency or an Eligible Customer; or
- E. to its Personnel and directors, officers, lawyers, accountants, insurers, financiers and other professional advisers where the disclosure is in connection with advising on, reporting on, or facilitating the party's exercise of its rights or performance of its obligations under this Agreement.
- (b) The Supplier must not issue any press release or make any other public statement regarding this Agreement or the Supplier's Activities without the prior written consent of the Customer, except as required by Law.
- (c) This clause 23 does not preclude the Customer from disclosing any information (including Confidential Information) of the Supplier to the extent that this Agreement otherwise permits the disclosure of such information.

PART D: FEES AND PAYMENT

24. Payment and invoicing

24.1 Price

- (a) In consideration for the performance of the Supplier's Activities in accordance with this Agreement, the Customer agrees to pay to the Supplier the Price set out in the Payment Particulars, subject to any additional discounts, rebates, credits or other similar benefits specified in the Payment Particulars. Other than as expressly set out in this Agreement, such amounts are the only amounts payable by the Customer in respect of the Supplier's performance of the Supplier's Activities and its other obligations under this Agreement.
- (b) Subject to clause 1.4(b), the Price and any rates or charges specified in the Payment Particulars will be fixed for the Term, unless otherwise specified in the Payment Particulars.

24.2 Benchmarking

- (a) Clauses 24.2 and 24.3 apply if it is specified in the Order Form that benchmarking applies.
- (b) No more than once per annum during the Term and commencing on the first anniversary of the Commencement Date, the Customer may, in its sole discretion, notify the Supplier in writing (**Benchmarking Notice**) that the Customer is seeking to implement a formal independent benchmarking of the cost of the Supplier's Activities in order to consider whether the rates and prices under this Agreement are competitive with the current Australian market for like deliverables and services (**Benchmarking Activities**).
- (c) An independent benchmarker may be agreed between the parties. If the parties cannot agree upon an independent benchmarker within 10 Business Days of the Benchmarking Notice, the Customer may appoint an independent third party benchmarker which the Customer reasonably considers to possess the adequate expertise to carry out the Benchmarking Activities, subject to such third party not being a direct competitor of the Supplier.
- (d) The parties will work together in good faith to expeditiously develop terms of reference which will form the basis of joint instructions for the benchmarker to follow

in conducting the Benchmarking Activities. Those terms of reference must, unless otherwise agreed by the parties, be based on the following principles:

- (i) a "like-for-like" comparison in respect of the Supplier's Activities, conducted by reference to one or both of:
 - A. a "whole of offering" basis in relation to all Services and Deliverables; and
 - B. a product and service category basis; and
 - (ii) appropriate normalisation, including with respect to volumes, method of delivery, quality of service and, in respect of clause 24.2(d)(i)B, taking into account any cross-subsidies offered between different product and service categories.
- (e) The parties will instruct the benchmarker to:
- (i) conduct the Benchmarking Activities on an objective and independent basis; and
 - (ii) use reasonable efforts to access and rely on recent, accurate and verifiable data in respect of its Benchmarking Activities.
- (f) The parties must ensure that the benchmarker signs a confidentiality deed in favour of the Supplier and the Customer (in a form acceptable to the Customer) prior to undertaking any Benchmarking Activities pursuant to this Agreement.
- (g) Unless otherwise agreed by the parties in writing, the Customer will bear the cost of engaging a benchmarker to undertake the Benchmarking Activities under this clause.
- (h) The parties must each appoint a reasonable number of Personnel to work under the direction of the benchmarker in collecting data necessary for the purposes of the benchmarking exercise.
- (i) The parties agree that the benchmarker may, in its own discretion, determine the information required to carry out the Benchmarking Activities and may carry out the benchmark as he or she sees fit (including by determining the benchmarking methodology).
- (j) The parties must reasonably co-operate with the benchmarker in connection with the Benchmarking Activities carried out under this clause 24.2.

24.3 Outcome of benchmarking

- (a) The benchmarker will be required to deliver a benchmarking report (**Benchmarking Report**) to the parties within 60 days of the Benchmarker's appointment, or within such other period as agreed by the parties in writing.
- (b) If the Benchmarking Report concludes that the rates and prices (or certain rates and prices) under this Agreement exceed the rates and prices offered by the current Australian market for comparable goods, services and activities, then the parties must use all reasonable endeavours to agree on an adjustment to the Payment Particulars to reduce the relevant rates and/or prices to align with the conclusions of the Benchmarking Report.
- (c) If the parties are unable to agree on adjustments to the rates and prices in the Payment Particulars in accordance with clause 24.3(b) within 20 Business Days of

the issue of the Benchmarking Report, then, subject to the Supplier's rights under clause 24.3(g), the Customer may, acting reasonably, determine the adjustments required to reduce the rates and prices in the Payment Particulars to reflect the conclusions contained in the Benchmarking Report.

- (d) If the Customer determines that an adjustment to the rates and prices in the Payment Particulars is required in accordance with clause 24.3(c), the Customer may issue a notice to the Supplier notifying it of the adjustment (**Adjustment Notice**).
- (e) The parties acknowledge and agree that if an adjustment to the rates and prices in the Payment Particulars is determined under clauses 24.3(b) or 24.3(c), the Payment Particulars will be deemed to have been amended to reflect the relevant adjustment, on and from the date:
 - (i) on which the parties reach an agreement in respect of the adjustment to the rates and prices under clause 24.3(b); or
 - (ii) specified in an Adjustment Notice issued by the Customer under clause 24.3(d), provided that the Customer will not specify a retrospective date in the Adjustment Notice.
- (f) A party may dispute the results of the Benchmarking Report if it reasonably considers that the findings in, and/or the conclusions of, the Benchmarking Report are based on incorrect facts, assumptions or comparisons. Any such dispute must be notified within 20 Business Days of the issue of the Benchmarking Report and must be resolved in accordance with clause 35.
- (g) The Supplier may dispute an Adjustment Notice if it reasonably considers that the adjustment to the rates and prices proposed in that notice are materially inconsistent with the conclusions contained in the Benchmarking Report. Any such dispute must be notified within 20 Business Days of the issue of the relevant Adjustment Notice and must be resolved in accordance with clause 35.

24.4 Invoicing
